Support the ECU Community School this Holiday Season!

As the Holidays quickly approach many of us start thinking about how we can help our neighbors in need. This year, we are seeking holiday sponsors for our youngest Pirates – the students at the ECU Community School.

The ECU College of Education is accepting donations for the students and will coordinate the purchase of the uniforms, crayons, coloring books and reading books.

Our ECU Community School principal and teachers want to make sure all the students are treated equitably and get the same gift this year. They were also passionate about asking for new books for all the children since access to high-quality children’s literature is known to boost motivation to read and students’ reading achievement.

We have 117 students at the ECU Community School and are hoping to raise $5,850 so that each child will have a sponsor. Please help us make the holiday season a bit brighter for these wonderful young scholars!

Your gift of $50 will provide:
- One new ECU sweatshirt
- Several children’s books
- One coloring book
- One large box of crayons

How To Give
- Make a financial gift online to the ECU Community School Priority Fund
- Checks can be brought to Terah Archie in 244 Speight Building
- Questions? Email Terah Archie at archiet15@ecu.edu.
