MLS Curriculum Committee Meeting

October 5th, 2018, Ragsdale Room 110

In attendance: Dr. Elaine Yontz, Dr. Mónica Colón-Aguirre

Meeting started at 9:00am

I. Learn to upload changes onto Curriculog
   a. Elaine presents the new curricular changes approved during the spring of 2017. The process has been delayed due to changes in the faculty and curriculum composition. The change includes adding five new courses. The courses are:
      i. LIBS 6852 – Digital Libraries (required for academic library focus, elective for all other students)
      ii. LIBS 6853 – Library Services to Diverse and Special Populations (elective for all students in the program
      iii. LIBS 6854 – Electronic Resources in Library Collections (elective for all students in the program)
      iv. LIBS 6855 – Library Advocacy (required for public library focus, elective for all other students)
      v. LIBS 6856 – Information Literacy and Library Instruction (required for academic library focus, elective for all other students)
   b. Elaine helps Monica upload all the new courses on the Curriculog system, while explaining the process. All changes are uploaded at 9:00am

II. Review of the ALA Accreditation Rationale for Curricular Process at East Carolina University
   a. Elaine reviews the wording and rationale for the Memorandum of Request which must accompany the document on Curriculog.
   b. The next step will include approvals by the Dr. Glass, and Dean Hayes
   c. After the initial changes are submitted the COE Curriculum Committee will call for a meeting during their monthly meeting in which the rationale will be presented
